value, and shall state the time, place, and reason for the seizure. Such notice shall also give the name and telephone number of a person within the Regional Director's Office who may be contacted regarding such seized property.

(c) The Regional Director may, upon written request of the owner or consignee, accept a bond or other satisfactory surety in place of the seized property. Such bond shall be in the full penal amount of \$5,000 or equal to the value of the seized property, whichever is greater, and shall only be allowed where the Regional Director reasonably believes that the owner or consignee intends to maintain possession or control of the seized property until all proceedings regarding the seized property are completed, or where the seized property is of such a nature that its release will not hamper the aims of the Act.

(d) If, at the conclusion of the appropriate proceedings, the seized property is to be returned to the owner or consignee, the Regional Director shall issue a letter authorizing the return of seized property to the owner or consignee. This letter shall be sent by registered mail, return receipt requested, and shall identify the owner or consignee, the seized property, and the bailee of the seized property. It shall also provide that upon presentation of the letter and proper identification, the bailee is authorized to release the seized property provided it is properly marked in accordance with applicable State or Federal requirements. All charges regarding the storage, care, or handling of the seized property accruing after the date of the return receipt shall be for the account of the owner or consignee.

(e) Disposal of seized property. If, at the conclusion of the appropriate proceedings, the seized property is to be forfeited to the United States, the Regional Director shall arrange for its disposal: *Provided*, That any forfeited property shall be held by the Regional Director until the conclusion of all court proceedings connected therewith. All charges which have accrued regarding the storage, care, or handling of the seized property shall be for the account of the owner or consignee.

#### § 17.15 Other laws applicable.

Nothing in this part, nor any permit, exception, or permission issued hereunder, shall be construed to relieve any person from any provision of any other laws, rules, or regulations of the States or the United States.

Interested persons may submit written comments, suggestions, or objections not in respect to this proposed amendment to the Director, Bureau of Sport Fisheries and Wildlife, U.S. Department of the Interior, Washington, D.C. 20240, 30 days of the date of publication of this notice in the Federal Register.

Leslie L. Glasgow,

Assistant Secretary of the Interior.

April 9, 1970.

The list of endangered foreign species has been compiled from data supplied by international conservation organizations, foreign fish and wildlife agencies, individual scientists, and trade sources. If a species is not listed it may be because (1) it is not endangered throughout its range or (2) there is insufficient evidence to warrant its inclusion on the list.

## APPENDIX B

## DESIGNATED PORTS AND EXCEPTIONS THERETO

1. **Designated ports.** The following ports are designated as ports of entry for all fish and wildlife, except shellfish and fishery products imported for commercial purposes: [The designated ports will be inserted after notice and hearing pursuant to the Act.]

2. **Specific exceptions.** (a) In any case of emergency diversion of a shipment of live fish or live wildlife to a place in the United

States other than a designated port, the Regional Director (see Appendix C) or his designee may make appropriate arrangements for the immediate clearance for importation of such fish or wildlife, where it appears that delay in clearance would endanger or impair the health of such fish or wildlife. In any instance where the Regional Director or his designee cannot be reached, the Supervisory Customs Inspector of the Bureau of the Customs is authorized to make such arrangements.

(b) (1) Except for any species or subspecies which appear on the Endangered Species List, any fish or wildlife originating in Canada or exported from the United States into Canada may enter the United States through any of the ports designated in section 1 of Appendix B or through any of the following customs ports of entry:

- (i) State of Alaska—Tok Junction.
- (ii) State of Washington—Blaine, Sumas, Oroville.
- (iii) State of Idaho—Eastport.
- (iv) State of Montana—Sweetgrass, Raymond.
- (v) State of North Dakota—Portal, Pembina, Dunseith.
- (vi) State of Minnesota—Noyes, International Falls, Grand Portage.
- (vii) State of Michigan—Sault Sainte Marie, Detroit, Port Huron.
- (viii) State of Ohio—Cleveland.
- (ix) State of New York—Buffalo-Niagara Falls, Ogdensburg, Rouses Point.
- (x) State of Vermont—St. Albans, Derby Line.
- (xi) State of Maine—Houlton, Calais.

(2) Except for any species or subspecies which appears on the Endangered Species List, any fish or wildlife originating in Mexico or exported from the United States into Mexico may enter the United States through any of the ports designated in section 1 of Appendix B or through any of the following customs ports of entry:

- (i) State of California—Calexico, San Diego, San Ysidro.
- (ii) State of Arizona—Nogales, San Luis.
- (iii) State of Texas—El Paso, Laredo, Brownsville.

(3) Prior to any entry pursuant to (1) or (2) above, the importer or his agent must submit a signed and dated statement to the customs officer at the port of entry showing his name and address, the number and a description of the items being imported, and containing the following certification: "I hereby certify that the fish or wildlife named hereon does not appear on the Endangered Species List and originated in (Canada) (Mexico) or were exported from the United States into (Canada) (Mexico)."

(c) (1) Except for any species or subspecies which appears on the Endangered Species List, fish or wildlife which are entered into Alaska or Puerto Rico and which are not to be forwarded or transshipped within the United States may be imported through any of the ports designated in section 1 of Appendix B or at the following customs ports:

- (i) Alaska—Juneau, Anchorage, Fairbanks.
- (ii) Puerto Rico—San Juan.

(2) Prior to any such entry, the importer or his agent must submit a signed and dated statement to the customs officer at the port of entry showing his name and address, the numbers and descriptions of the items being imported, and containing the following certification: "I hereby certify that the fish or wildlife named hereon does not appear on the Endangered Species List and are not to be forwarded or transshipped within the United States."

(d) (1) Except for any species or subspecies which appears on the Endangered Species List, fish or wildlife imported from Mexico or Canada by an individual as sport or a game trophy lawfully taken in Mexico or Canada, may enter the United States at my port of entry.

(2) Such entry must be accompanied by Customs Form 3315, Declaration for the Entry of Game Animals or Birds Killed by U.S. Residents.

(e) Except for any species or subspecies which appears on the Endangered Species List, fish or wildlife products which are transported accompanied or unaccompanied as personal effects or as part of household
